Shipping and Handling Charges (S&H) • \$7.25 for 1 to 5 keyboard covers only • \$8.50 for 6 to 14 keyboard covers only • \$9.50 for 15 to 24 keyboard covers only • \$10.50 for 25 to 40 keyboard covers only. For orders over 40 covers and orders including posters, software CD, and/or reference cards, see **Non-Standard Orders**, below. **Non-Standard Orders**-- If the online-store S&H charge above for a non-standard order is insufficient, SpeedSkin will access customer's credit card for the balance of the S&H charges. Additional S&H charges for a non-standard order will be added to the invoice or credit card amount for the following: orders over 40 covers; combinations of covers with others of our products (posters, software, and/or reference cards); and non-cover product orders (posters, software, and/or reference cards). Additional charges will be based upon a) method of shipment (best way, ground); b) expedited shipments; c) destination location within the United States; and d) shipments outside the United States.

If paying by check or you have questions regarding an anticipated non-standard order, call 800.558.7601 for an estimate of additional S&H charges. If paying by check, and if S&H estimate exceeds S&H charges, customer will receive a refund.
